Fall Prevention Training Course

The Six-Step Balance System™

By Dr. Betty Perkins-Carpenter

February 17, 2017
Jacksonville, FL

February 19, 2017
Tampa, FL

March 3 17, 2017
Orlando, FL

Presented by
Fall Prevention Training Services, LLC

Plan now to join us for a course for Occupational & Physical Therapists, Assistants, Activity Professionals, and injury prevention advocates.

Description

A unique, fun and successful approach to fall prevention! The Six-Step Balance System™ is a powerful program, designed to help individuals prevent falls by practicing a series of fun movements and exercises. Participants learn to discover the body's natural ability to balance, increase leg strength, improve mobility, flexibility and reduce the FEAR of falling.

Presenter

Sharon Claye

Master Trainer, Six-Step Balance System™

President/Owner, Fall Prevention Training Services, LLC
