# Fall Prevention Training Course

The Six-Step Balance System™

By Dr. Betty Perkins-Carpenter

July 14, 2017  
Tucson, AZ

July 16, 2017  
Phoenix, AZ

Presented by  
Fall Prevention Training Services, LLC

Plan now to join us for a course for Occupational & Physical Therapists, Assistants, Activity Professionals, and injury prevention advocates.

## Description

A unique, fun and successful approach to fall prevention! The Six-Step Balance System™ is a powerful program, designed to help individuals prevent falls by practicing a series of fun movements and exercises. Participants learn to discover the body's natural ability to balance, increase leg strength, improve mobility, flexibility and reduce the FEAR of falling.

## Presenter

Sharon Claye

Master Trainer, Six-Step Balance System™

President/Owner, Fall Prevention Training Services, LLC
