Orlando/Sanford, FL

Join Our Fall Prevention Training Course - for Physical Therapists & Assistants, Activity Professionals, and Injury Prevention Advocates

A unique, fun and successful approach to fall prevention! The Six-Step Balance System™ is a powerful program, designed to help individuals prevent falls by practicing a series of fun movements and exercises. Participants discover the body's natural ability to balance, increase leg strength, improve mobility and flexibility and reduce the FEAR of falling.

Course Limited to 20 Attendees
